

## ATTENTION: Students and AACA Region & Chapter Officers

Friends:

One of the main objectives of the AACA has been the promotion of education amongst our membership, young members, and the community at large. One of the ways we can strengthen our old car hobby and continue its appreciation from one generation to the next includes recognizing students through the AACA scholarship program. Students who demonstrate academic leadership and/or with an active interest and participation in the antique car hobby would qualify for this program. To this end, the AACA has mandated a program to nurture, grow and maintain promising youth through the implementation of these scholarship programs. Whether their interests have been shown through restoration, preservation, touring and/or ownership of antique cars, AACA supports its commitment to qualified candidates with several types of \$1,500 awards, with privately funded scholarships also awarded periodically. All Scholarship awards are presented as part of the AACA Annual Convention in the first quarter of each year in conjunction with the presentation of AACA's national awards.

**The deadline for application is December 1, 2023.** A PDF version of the scholarship application can be downloaded from the internet by [clicking here](#). Remember, for a small investment of time, you may potentially receive one of these awards to assist in your educational pursuits!

Please contact me if I can be of any assistance to you or if you have any questions.

Sincerely,

Debbie Nolen, [dpnolen1@gmail.com](mailto:dpnolen1@gmail.com)
